I was President on Student Government Association (SGA) my Senior year of high school.

I was the Social Chairman for the SGA before then for 3 years. My position had me talking to the community and the students of the school to see what they wanted to see our school doing for our community.

I was a starboard rower of the WVU Women's Rowing Team for a season but due to an injury I had to resign due to an injury.

I played various sports in high school along with playing flute in the high school band. I was field conductor for the high school band my senior.
